

# ***LEADERS OF OUR SCHOOL CREED***

**Today WE decide,**

To rise up as one team,  
To take full responsibility,  
and to be the leaders of our school.

**Today WE decide,**

To believe not doubt.  
We are capable and worthy,  
We can do anything we put our minds to,  
We have unlimited potential,  
We are like no other: one of a kind.

**Today WE decide,**

To always embrace life's challenges,  
For without them, we will not grow.  
To always get back up and move forward,  
To never ever give up.

**Today WE decide,**

To get the monkeys off our back,  
To live up to our full potential.  
We have everything we need:  
We have abundance around us,  
We have the power within us.  
With belief, all things are possible;  
With drive, we are unstoppable;  
With gratitude, we are unbreakable.

**IT'S OUR SCHOOL**

**WE ARE RESPONSIBLE (x 3)**

This we decide, today, and every day we rise up.
