

GOD GIVEN; PURPOSE DRIVEN

God has a plan and purpose for all his children. We are called to discover it and fulfil it according to his will. In the world that we live in today, it's more important now than ever for young people to discover this.

Research today shows that many teens are struggling to cope with school and life challenges. With added pressures of social media in an ever changing complex and uncertain world, mental health issues, such as anxiety and eating disorders, addiction and depression have become more common, and the incidents of bullying, self-harm and suicide have increased. It doesn't have to be this way.

In this engaging, interactive and impactful *personal testimony*, Daniel Merza shares the power of God's grace in transforming his life to move from worldly discouragement, darkness and despair to God-given tenacity, optimism and empowerment.

Drawing on the word of God, Daniel will empower and equip audiences with powerful insights and practical strategies to help them discover their God-given purpose and potential, build resilience and hope, draw closer to Jesus, and become all that God has created us to be.

Daniel Merza is a student wellbeing and leadership specialist, award-winning international speaker, and author of teen resilience book *Get the Monkeys off Your Back* and devout Christian.
