

TEEN EMPOWER HOUR

ONLINE SESSIONS

Parent / Guardian Consent

As a parent or guardian of this student, I give permission for my child to participate in the *Teen Empower Hour* online sessions, led by Daniel Merza.

I understand that these sessions aim to:

- empower, inspire and equip teenagers to become the leader of their life, achieve personal greatness, and maintain a positive wellbeing.
- provide teens with an online outlet for guidance, inspiration, and perspective from an experienced third party.
- cover important topics such as self leadership, success habits, positive mindset, study skills, managing stress, peak performance, social media, resilience, optimism, the future of work and career pathways.

I also understand that:

- Online sessions are conducted on [Zoom](#).
- Sessions will be held weekly at a designated time.
- Teens need to register online [here](#)
- All teen registrations require parental approval, and will not be able to attend the webinar unless this form is signed and emailed to daniel@danielmerza.com on registration prior to their first session. Once approved, parental permission automatically applies to all subsequent sessions, unless advised otherwise.
- Prior to each session, teens can send through specific questions they would like answered by Daniel, and these questions will be answered in the *Teen Empower Hour* sessions so all attendees can benefit.
- Session attendees could be as small as 5 and as large as 100 in one session, all connected online via zoom.
- Attendees will receive fortnightly post session emails with updates, and tips to keep them motivated.
